Benefits of attending

Held in the context of significant changes across the conservation sector. The Conference will explore how these are being promoted, review benefits offered by social media and other initiatives for knowledge transfer development.

Attendees will gain understanding of; how International and National influences impact on conservation; how to access relevant and emerging information; how Social Media is challenging traditional communication models and what Capacity Building in conservation means.

Who will benefit

Conservation professionals, policy-makers, practitioners, educators, students and owners

Organised by:

COTAC Council
on Training in
Architectural
Conservation

Booking Terms & Conditions

Submission of a completed form constitutes a firm booking and as such the client agrees to COTAC's terms and conditions herein and will be liable for the applicable fees. COTAC reserves the right to cancel the event at any time. If an event is cancelled, the client is entitled to a full refund. COTAC is not responsible for any consequential losses.

Cancellations and transfers:

If you need to cancel a booking we need to receive notice in writing from the person who authorised your booking.

If you withdraw from a confirmed booking for any reason and do not send a substitute from your organisation you must pay a cancellation/ transfer fee where it applies. The fees are based on how much notice we get before the event date and a percentage of the price as follows:
Written notice COTAC receives:
15-21 days before event date 25%
1-14 days before event date - 85%
On the day of the event - 100%
