If you answered yes above, would you like the previous sessions repeated or new speakers for each of the competencies

- Answered: 15
- Skipped: 4
- New speakers for each of the competencies would provide different aspects.
- Not sure until I've watched them all!
- it would be good to get people from different backgrounds
- Both/either

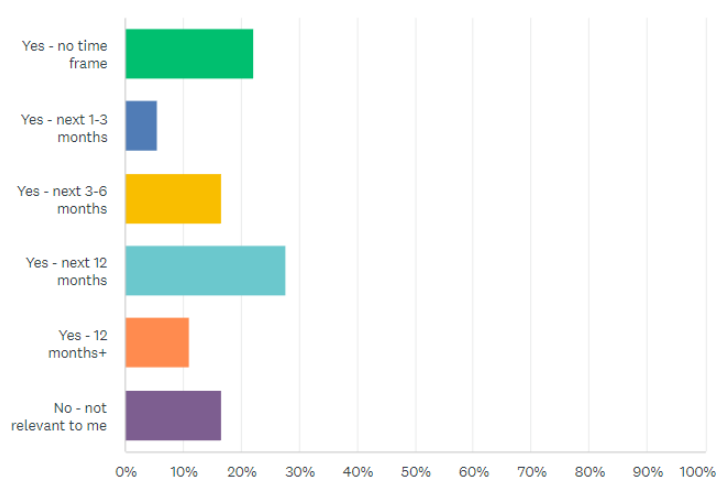

- repeated would be great
- Either but ideally new speakers for variety in experiences and backgrounds.
- The speakers were all very good, but I'm sure there are other experts with interesting views to share
- It is always good to hear different view points or experiences
- Maybe they could be new sessions and partly as spreading good practice/new ideas too rather than a focus just on completing the IHBC application (which is a good aim in itself!)
- Joined late but all were good
- Happy to have them repeated - on a mission to get my application in during 2023
- Yes
- new or the same speakers, either are useful
